

Sightseeing program in Samarkand

Samarkand is an amazing, multifarious, unique city. For years of its history it repeatedly changed names, here numerous dynasties of rulers shifted by generations, it was built, destroyed, burnt, rebuilt, etc. So, this city survived whatever this varicolored and famous capital of Orient had fated to, the city admired by Tamerlane, where Ulugbek, his descendant, wrote his works on astronomy. This city, with tremendously beautiful, mysterious and unique combination of tranquility with oriental temperament, can impress its visitors for years with only most pleasant and unforgettable memories, full of colors, and feeling of admiration to ancient Central Asian architects who created such a magnificent center of the world, with incomparable beauty and grace.
